

Travel Management as a Service (TMaaS)

Adelman Travel provides our customers with a fully outsourced Travel Management as a service (TMaaS) program offering with a seasoned industry professional to serve as your travel manager and oversee your program.

We will work closely with your business leaders to understand cross-functional goals and deploy a plan to achieve them.

WHAT'S INCLUDED IN TMaaS

- Outsource the Travel Manager function
- Liaison between your Departments and the Travel Program
- Escalation Point
- Extension of your team in all things travel
- Negotiate with Partners
- Meeting Assistance
- Travel Technology Consultant
